R. Adm. Hartman Appointed Fifth Man on Annexation Commisssion

Shatters Hopes of Water District Commissioners

SAN DIEGO (CNS) — A San Diego man was named as the fifth member of the controversial New Agency Formation-Local Annexation Commission on Monday by the county and city representatives already chosen.

R. Adm. C. C. Hartman, USN, ret., executive manager of San Diegans, Inc., and a commissioner on the San Diego Unified Port District, was named after a 90 minute closed session.

He will officially be appointed next Monday at 1:30 p.m. when the new commission will meet for its organizational conference.

Hartman's appointment shattered the hopes of some water district commissioners that one of their number might be chosen.

Supervisor Robert C. Cozens admitted that they had discussed this possibility along with several other suggestions.

The new commission, described by its opponents as a super-agency that is a threat to home rule, was formed as a result of legislation passed this year to avoid inter-city feuds over annexations and inter-community clashes over incorporations.

The new commission will have the right to charge the form of any new incorporation or annexation, or approve or disapprove any such move for any local governmental agency other than school districts, according to Bertram McLees, Jr., county counsel.

The County Board of Supervisors had already named Chairman Robert C. Cozens and Supervisor David W. Bird to represent the county. The mayors of all the incorporated cities had named Oceanside Mayor Erwin Sklar and La Mesa Mayor Ray Fellows. There four men had the responsibility for naming the fifth member "from the public-at-large."

BAND JAMBOREE — Mount Miguel High School Marching Band, under the direction of Larry Christianson, will lead six other Grossmont Union High School District school's this Saturday night in the fifth annual Band Jamboree at Aztec Bowl. The show starts at 7:15 p.m. and tickets can be purchased from band members or at the gate. The 118 members of the Matador band, including the Banderettes, majorette and drum major, will present "A Salute to Veteran's Day," showing a soldier with a gun moving down field.

Act Provides $537,000 for Recreation

The State Water Commission has given final approval of a $537,000 grant to the Helix Irrigation District under the Davis-Grunsky Act.

The district now must enter into a contract with the State of California promising to provide recreational facilities at the Chet Harritt Dam reservoir near Lakeside. The district must guarantee to provide these facilities for 45 years, or the grant will be revoked by the State, according to Harry Griffin, chairman of the Helix Irrigation District Board of Directors.

Griffin said the recreational program will not go into effect until about early 1965, when fishing is expected to begin in the lake. Other facilities even-

Richard Holmgren Named To Planning Commission

SAN DIEGO (CNS) — Richard S. Holmgren, former general manager and chief engineer of the County Water Authority, was appointed Tuesday to serve on the County Planning Commission.

Chairman Rober C. Cozens nominated Holmgren and the appointment was approved unanimously by the Board of Supervisors.

Holmgren, who lives on Mt. Helix, will fill the vacancy created in August with the resignation of Gordon Cromer, of Bonita, who resigned due to business reasons.

76% Vote Approves Santee High School

Two Grossmont high school election issues passed easily Tuesday in an election which provides for the building of a new high school in Santee, and the continuation of the present operating tax rate of $1.50.

In the first issue, bonds for $4,400,000 were approved by voters 13,168 to 4,143. The Santee school will be built and the $2,800,000 State loan will be repaid with the proceeds. The vote was 76% in favor.

Run Down Given

In Lemon Grove 1,312 said yes; 680 said no to the bond issue. In the Spring Valley - La Mesa district, 4,941 said yes; 1,505 said no.

On the tax issue 14,242 said yes; 3,012 said no for an 82 % majority.

In Lemon Grove 1,418 said yes; 495 said no.

In Spring Valley - La Mesa 5,366 said yes; 1,050 voted no.

Lew Smith, district superintendent, said steps would be taken immediately to get the Santee school started so that it may be occupied in September, 1965.

It will take care of an 800 overload at El Capitan. Population maximum at Santee will be 1,100.

Smith said that the district would ask for additions to four other high schools including Helix and Mt. Miguel.

These improvements should be on a pay-as-you go program, he added.

Methods Named

The board will be asked Monday to provide for the improvements by one of several methods. 1. Having an election on a small bond issue; 2. Using accumulated building funds; 3. Levy a 6 cents building tax, or 4. To attempt to qualify for federal impact aid.

Smith said he was gratified with the outcome of the election. "It is good to live in a district that supports educational programs like this," he said. "It assures a sounder future for our youth and that makes it a splendid investment," he added.

Teenage Boys Charged With Drunk Driving in Wreck

Two Spring Valley teen-age boys are in the hospital following a screeching accident Tuesday evening in which their auto overturned and slithered 90 feet on its back in the deep drainage ditch opposite Mt. Miguel high school on Sweetwater rd.

California Highway Patrolmen said the boys were traveling north on Sweetwater rd. at a high rate of speed when they overtook an auto ahead. The car went out of control and careened to the left, hitting a low embankment. It re-crossed the road to the right, still out of control, and pitched into the drainage ditch and overturned. It came to rest under a wooden bridge which spans the ditch.

Taken to the hospital by the S.V. Fire Department ambulance were Duane A. Edwards. 17, of 2601 Sweetwater rd., said to be the driver of the car, and Warren E. Radcliff, 16, of 939 Gillespie dr., S.V.

Edwards is in Grossmont hospital. Radcliff was transferred from Grossmont to County hospital. Both are listed as having major injuries.

CHP accident investigation officer Whiting said witnesses reported the car was going approximately 80 miles an hour when it went out of control. Officers charged the youths with drunken driving. Witnesses said six wine bottles, two of which were partly filled, were in the car.

The youths attend continuation school.

Christmas Stamps Go on Sale Here

The new Christmas stamp will go on sale at the Lemon Grove and Spring Valley Post Offices Saturday.

The period Nov. 1 to Nov. 20 has been designated for the mailing of Christmas parcels by surface transportation to members of our Armed Forces overseas.

Gift parcels to distant states should be mailed before or the week of Dec. 2 - Dec. 7. After that, Air Mail should be used.

Gift parcels for local or nearby areas should be mailed not later than Dec. 14.

Parcels may have the endorsement "Do not open until Christmas" on the outside of the parcel.

Patrons are urged to use their ZIP code number on all their return addresses, including parcels.

The Spring Valley ZIP code number is 92077.

The Lemon Grove ZIP code number is 92045.

Matador Band To Lead Annual Band Jamboree

Mount Miguel high school Marching Band will lead a host of six other bands in the Grossmont Union High School District at the fifth annual Band Jamboree November 2.

The Aztec Bowl show will open at 7:15 p.m. with all seven bands performing together under the direction of James Christie, El Cajon Valley high school.

Each high school then will present a ten to twelve minute show. The order of presentation rotates each year so a different high school can begin and close the show.

Granite Hills high will follow Mt. Miguel this year, and El Cajon, Monte Vista, El Capitan, Helix and Grossmont high schools will follow in that order. Grossmont will conclude the jamboree with "This Is My Country."

The Band Jamboree is being sponsored by the Grossmont District Music Coordinating Council made up of parents from each high school. Tickets are $1 for adults and 50 cents for children, and may be purchased from band members or at the gate.

Starting the program, the Mt. Miguel band, under the direction of Lawrence Christianson, will do precision drill and a "Salute To Veteran's Day."

The Matador Specialty Corps, directed by Mrs. Bette Conrad, and band will show a soldier with a gun, moving down the field, will develop an LST which sails down the field, opens its doors to let out a tank for a landing. There are 202 students in the presentation.

Granite Hills Eagles will march 135 musicians and Romainaires under direction of their new director, William Ellett, and specialty corps director, Mrs. Marilyn Fackler. Featuring "The Carnival of Venice," the show will be a high precision drill.

El Cajon Valley high school Braves Band, directed by James Christie, will do their "Casey Jones Show", in which a locomotive, moving wheels, smoke, and all, will move down the field, and at the end, there will be the buryin' of Casey Jones. Miss Jodi Johnston is director of the Bravettes.

Monte Vista's Monarch Band under direction of Lawrence Curtis, and the Fan and Foil Corps under direction of Mrs. Dorothy Finney, will offer a "Salute to the Roaring 20's." The 145 member unit will play such tunes as the "Charleston," "Jada" and "Toot Toot Tootsie, Goodbye!"

They will show a Modle-T, the Spirit of St. Louis, prohibition and such sports figures as Babe Ruth and Dempsey and Tunney. Monte Vista's exchange student from Ecuador, Juan de la Batista, is a member of the band.

Nagy Tells Men's Club

Local Taxes Are Blocking Calif. Industrial Growth

"It is not State taxes but local taxes that are keeping industries from moving into California" and "we are discriminating in those taxes," John Nagy, president of the Statewide Homeowners Association, told the L.G. Men's Club last Friday.

"Local taxes in California are 25 to 30 per cent higher for comparable firms than in most mid-western and mid-eastern industrial states," Nagy asserted.

Discriminatory Taxation Told

He pointed out that California is discrimatory in its local taxes because raw materials, inventory and machinery are taxed, and "the historical value of these goods never goes below 50 per cent." Taxes on used, older goods do not depreciate proportionately in California, he said. "Other states do not even have taxes on these goods."

Eastern and mid-western industries consider property taxes 15th when they are planning to move to another state; in California, these industries look first at the local taxes they will have to pay, he said.

Bean Toll

The Hershey chocolate company, Nagy illustrated, considered setting up a plant in California and found they would have to pay taxes, not only on inventory and machinery, but on cocoa beans. "What are you going to do with 10 boat loads of cocoa beans," he exclaimed?" The Hershey company decided to warehouse the beans in Nevada and ship them in for processing. The company was taken to court for tax evasion, Nagy said.

"If we could only bring the warehousing business back to California we wouldn't have any unemployment . . . except those who don't want to work," Nagy pointed out.

Defense Ridden Economy

California, he said, does not have a sound tax basis for business growth. "We are too dependent on defense projects." He said 26½ per cent of all defense projects in the US go to California and 45 per cent of all missile contracts to California industry. However, many of these contracts are going to California firms "provided" they are used in the firm's out-of-state plant (Lockeed, for example, has a plant in Marietta, Georgia, a depressed area).

"Contracts are not only moving from contractor to contractor now, but from state to state," Nagy asserted, and the only way California is to survive is compete with other states. He said California defense industries receive most of their contracts by underbidding.

Tax Elimination Proposed

California Statewide Homeowners Association, he said, is backing a plan (Assembly Constitutional Amendment No. 20) that would gradually eliminate

Postmaster Meets With No. 2 Man

SAN DIEGO, Oct. 23 — Postmaster F. R. Faucher of Lemon Grove conferred here today with Sidney W. Bishop, Deputy Postmaster General of the United States, at a meeting of the postmasters of San Diego County which included discussion of the latest postal programs and service improvements.

Bishop is No. 2 man of the 589,000 employe postal system who served recently as Acting Postmaster General prior to President Kennedy's appointment of John A. Gronouski of Wisconsin to the position.

He told Postmaster Faucher that the Lemon Grove Post Office is of importance in welding together the national postal program to help speed mail deliveries through use of the new five-digit ZIP Code.

The Code helps in reducing delays and processing steps for large quantities of mail.

The Lemon Grove Postmaster was among approximately 50 attending the conference with Bishop, who is a resident of California.

Highlight of the meeting was the presentation of postmaster appointment certificates to William G. Clark of El Cajon, Loyd J. Swycaffer of Santa Ysabel and Margaret G. Small of Dulzura.

Bishop was an official of the Prudential Insurance Company in Los Angeles at the time he was called to postal headquarters in Washington in early 1961. Prior to his appointment by President Kennedy as Deputy Postmaster General in June, 1963, he was an Assistant Postmaster General. Bishop is a lawyer and has been admitted to practice in California.

Happy Anniversary To Income Tax

The Federal Income Tax became 50 years old this month. During this period the per capita tax burden has jumped from $3.50 for every man, woman and child in the country to more than $725 today.

The U.S. is currently spending at the rate $2,635 per family per year. This includes unspent funds held by foreign aid agencies which are clamoring for more and more money, although there is sufficient funds to last them, at the current rate of spending, for another five or six years, according to U.S. Rep. John Dowdy, a Texas Democrat.

Not all of that money goes out of the country, however. Some of it meets federal payroll needs.

The Associated Press recently pointed out that it takes the taxes of six American head-of-the-family taxpayers to meet the pay of a $4,345-a-year government secretary. It takes 18 to pay her boss $13,730-a-year and to provide him with an office and equipment.

The secretary is not quite the bargain she appears. The 150 square feet of office space she occupies represents more than $500 a year. About $100 a year goes for her typewriter, filing cabinet, desk and furniture, and another $100 goes for her telephone. The annual expense for keeping the secretary on the payroll is approximately $5,050 a year. That accounts for six average tax payments. Adding this to the 18 average tax payers required to meet the expenses of her boss, we've got 24 taxpayers in stress and strain all year long just to cover the cost of taking care of a secretary and her boss.

When someone tells us about all the help we get from Washington it is well to think of that help in terms of the Federal Income Tax.

Happy Birthday!

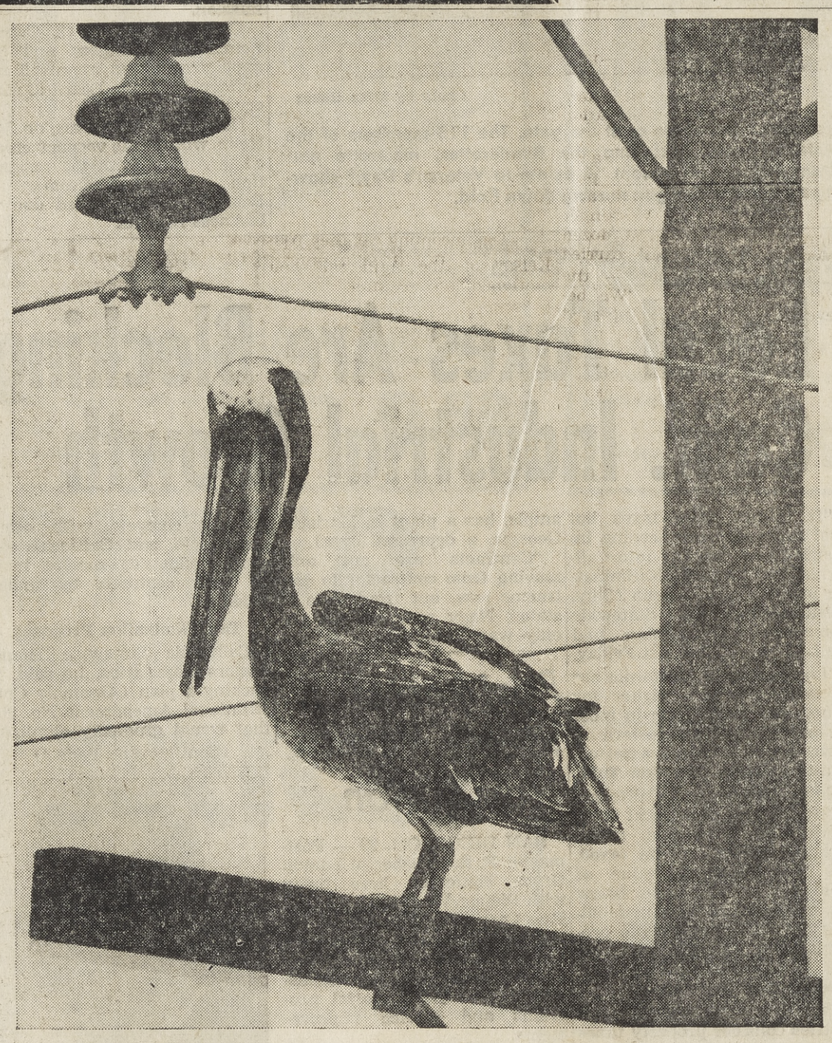
A wide variety of Christmas gift items from nuts to potted plants will be sold November 3 from 10 a.m. to 5 p.m. during the Lemon Grove Woman's annual bazaar.

A snack bar and several interesting booths have been arranged for the convenience of shoppers, according to Mrs. Edwin R. Koester. The bazaar will be staged at 1810 Main st., L.G.



a funny bird the pelican

Even in this advanced age of technology, some things can't be controlled . . . like the friendly-looking pelican who unfortunately chooses to roost on electric lines where his tremendous wing span often shorts out service. We don't like to blame anything on a bird, but customers often ask us why electric service is occasionally interrupted in an area. There are many reasons . . . all accidental, like the pelican. Automobiles crash into utility poles . . . hunters' careless shots nip insulation . . . construction cranes and wind storms knock down wires.

Our skilled repairmen are on call in radio-equipped trucks 24 hours a day for just such emergencies. Whenever an electrical outage occurs, a special crew is dispatched to the scene immediately to restore service. We hope you are never without service, but if you are, we apologize, and assure you it won't be for long.

Merger May Produce 11 Million Members For Methodist Church

The membership of the Methodist church will top 11 million if the proposed union of the Methodist church and the Evangelical United Brethern church is consumated, according to Bishop Gerald Kennedy.

Bishop Kennedy,Los Angeles, is the head of the Southern Calif.-Arizona Methodist Conference and past president of the denomination's Council of Bishops.

The Evangelical United Brethern church has 761,754 members. The Methodist church has 10,234,986. Bishop Kennedy described the proposed union as "the re-uniting of a family." "Our heritage," he said, "is a common one and there is so much similarity in our ways of life that a union is very much to be desired."

Plans to bring together the two denominations of parallel history into an 11 million-member union were announced recently in Chicago. Talks and study have been under way eight years. Representatives will meet again in December to perfect plans which will go to the top governing bodies for legislative action. Target date for the final merger is 1968.

Lecturer Says Love Answer To Threats of Destruction

The question of war or peace is being decided each moment by all of us, a Christian Science lecturer said here Friday. "We must strive daily and hourly to keep thought in harmony with God . . . divine Love."

Martin Broones, of Beverly Hills, was the speaker. "Each individual is responsible for his own thinking," he said. The only danger of the hydrogen bomb is in "the pent-up hates and fears of many people."

Broones spoke in the church edifice at 8262 Allison ave., La Mesa. He was introduced to the audience by James H. Smith, first reader of First Church of Christ, Scientist, La Mesa which sponsored the lecture.

Each one of us contributes to the content of world thinking, and at the same time we are affected by what others contribute, the lecturer observed.

Love or Hate?

"Are we going to fear with those who fear, and hate with those who hate?" he asked. "Or are we going to be in the company of those who are rejoicing in the divine nature of Love, listening to the divine message of Love, bringing forth the divine manifestation of Love?"

To keep on the side of Love requires deep prayer, Broones said. It calls for patient "cultivation of the spiritual qualities which identify man with the nature of God.

"Nothing short of Jesus' proof of the allness of God, divine Love, can resolve the threats of destruction with which we are faced today."

He said the divine message of the Christ is still present today to save and redeem mankind.

Christianity has always functioned as "a power of deliverance for humanity," he said, and noted that during the break-up of the Roman Empire, "the light of the Christ saved mankind from total submergence in barbarism, and was later to light the way for mankind out of the darkness of the Middle Ages."

The lecturer referred to this power as "the Christ-light," and quoted the Apostle John's description of it as "the true Light, which lighteth every man that cometh into the world" (John 1.9).

God - Influence For Good

He also defined it as "a power of God acting in the human consciousness as a divine influence for good."

This divine influence is how man learns to love, he emphasized.

"Every aspect of the life and teaching of Christ Jesus testifies to Love as its motivating force," said Mr. Broones, and this is the message of Christ today — "that God is All and God is Love."

Laymen Retreat In Cedar Glen

Frank Relaford, W. L. Larson and Gerald Brownhill represented the Foothills Methodist Church at a Laymen's Retreat last weekend.

Sponsored by the San Diego Methodist Churches, the retreat took place in Cedar Glen, Julian, from Saturday noon to Sunday noon.

Its purpose was to inspire members of the church to do better work during the coming year.

EXCHANGE STUDENTS — Foreign exchange students attending Grossmont Union High School District schools this year were feted at a reception last Sunday in the Nan Coutts Cottage, La Mesa. Posing in official picture in front row, left to right, are Marita da Silva of Brazil who is attending Granite Hills; Molly Tan from Malaya who attends Helix high; Lee Ngo Ng, exchange student from Singapore to Mt. Miguel; and Fernando de Ladastida of Ecuador, an exchange student at Monte Vista. Back row left to right are Ramesh Sawhney, attending Grossmont high from India; Melyvn Lewis, attending Mt. Miguel from London, England; Carlos Gonzales of Spain attending Helix; and Eduardo Vargas of Peru who is a student at Monte Vista high.

L.G. Goal Marked At $1,195 by UCS

Lemon Grove's United Community Services Fund campaign got down to "grass roots" when its residential drive started this week in all-out support of 7? vital community agencies.

"The money collected by our volunteer doorbell ringers," said Jack Koop, Lemon Grove campaign chairman, "will provide community services for more than 350,000 San Diego County families during 64."

The United Community Services Fund campaign goal of $4 million will have to be reached if these families are not to be denied, he said.

"Lemon Grove's campaign quota has been set at $7,085," according to Koop. "Of this figure, $1,195 represents the residential goal which Lemon Grove's women are determined to raise."

Community services, in the broadest sense, benefit the entire community, not merely the recipients. Supporting community services through contributions to the UCS Fund campaign is very much like purchasing a combination insurance and mutual protection policy. One never knows when the services offered by the agencies of the UCS Fund will be needed.

Carnival Tonite At Santa Sophia

Santa Sophia Academy's fourth annual Halloween Carnival gets underway tonight from 6 to 9 on the school grounds.

Booths will include the cake walk, the hammer board, bean bag toss, fish pond, ring toss, a spook house, a witch's mystery tree, and, of interest to older children, a squirt gun, candle and bottle pitch.

Sloppy Joe's eatery will be back again this year. The menu includes home-made potato salad, baked beans, hot dogs, cup cakes, coffee and punch.

A camera and crocheted doll will be given away at the carnival.

Methodist Women Set 'Gift-Gab'

"Gift and Gab", the first of a series of coffee sales hours, will be held by the Womens Society of the Lemon Grove Methodist Church Tuesday at the home of Mrs. Gail Eden, 3955 Marian, L.M.

The public is invited to the two sales periods - 2 to 4:30 and 7:30 to 9 to choose Christmas gifts and decorations.

The following Thursday, a Sunday School Teachers' seminar will be held in the L.G. Methodist church sanctuary at 9:30 with Mrs. Karyl Graham, certified director of religious education, officiating.

Sermon title Sunday will be "Meeting Tomorrow's Potential" by Dr. Jordan Detzer.

FIRST NATIONAL PAYS 30c A SHARE DIVIDEND

The First National Bank of San Diego will pay a regular quarterly dividend of 30 cents a share on common stock November 1, to shareholders of record October 21.

Airport Loss Here Eyed by Donovan

State Legislative probers learned last week that some California counties are subsidizing airports in their areas because of their value to local economies.

The Assembly Transportation and Commerce Committee conducted hearings in Redding earlier this week. Assemblyman Richard Donovan, a member of the committee, disclosed that many of the Northern California airports were losing money in spite of federal aid in most cases.

"This was the second in a series of investigations into the inadequacies of California's airports and air services," Donovan said. "Joint Senate and Assembly Committees on transportation and public utilities are probing the subject because of the growing interest in private aviation. We have more licensed private pilots than any other state, yet our airports are dwindling in number."

The committee's main objectives are to determine the inadequacies of present airports in the state, what would be needed to overcome those deficiencies, how much it would take to finance the program, how it would be financed, and if there is a need to coordinate the present airfields, municipal, military, and private, with future needs.

"Our investigation is certain to have impact here in San Diego and upon our local fields, Brown, National City, Montgomery, Gillespie, and Lindbergh.

In the past ten years we've seen developers take over several local airports: Pike, Otay, La Mesa, and the field on Clairemont Mesa have been eliminated," Donovan added. "Something needs to be done for the private pilots, but they'll probably have to bear much of the cost."

S.V. Roads To Be Resurfaced

SAN DIEGO (CNS) — Work is expected to begin this week on roads in the Spring Valley area, Supervisor David W. Bird announced Tuesday.

The resurfacing project is being financed through a half-and-half split between the county and federal Accelerated Public Works Funds.

The Housing and Home Finance Agency last week approved the bid of the Kenneth H. Golden Co. in the amount of $107,158.40. The supervisors had approved the job earlier.

The re-surfacing of the roads will be done by laying a new surface of asphaltic concrete about an inch-and-a-half thick with a seal coat between the present and new surfaces.

Streets to be re-surfaced in Spring Valley are 1.03 miles of Sweetwater Springs Boulevard and Jamacha Boulevard in the vicinity of Don Pico Road, some .89 of a mile of Jamacha Road, Sweetwater Road and Sacramento Avenue, and 1.02 miles of Fuerte Drive and Mt. Helix Drive.

CRAFT TRAINING CLASS STARTS AT ADULT SCHOOL

A craft training class for instructors is being offered at Santee Adult School on Tuesdays from 1 to 4 p.m.

The program is geared to train people for work in retirement homes, nursing, mental hygiene homes, and Scouting.

The class began October 28, but late registrations are being accepted. For further information contact Santee Adult School at 8925 Cuyamaca st., Santee, or call 448-1443.

POTATO CHIP PACKAGE CONTEST WINNER NAMED

Brian L. Engebertson of 8725 Ildica st., Spring Valley has been named a winner in the 15 years of age and under category of Bell Brand Food's recent "Color Our Food Package" contest.

Winners were selected for their choice of colors for Bell Brands new potato chip packages, plus 25 words why they chose those particular colors.

Black Muslins Distribute Tabloid Here

Black Muslims invaded Lemon Grove this week, but they weren't talking much.

Salesman for the tabloid newspaper 'Muhammad Speaks' circulated through the community selling the publication for 20 cents a copy.

Muhammad, who speaks through the columns of the publication, is "The Honorable Elijah Muhammad, Messenger of Allah." In one of a dozen listed "Muslim Beliefs" carried in the columns, one — the twelfth — proclaims "We believe that Allah (God) appeared in the person of Master W. Fard Muhammad, July, 1930; the long awaited 'Messiah' of the Christians and the 'Mahdi' of the Muslims."

The salesman claimed he was instructed not to discuss the Muslim movement "without permission from my lieutenant." He also refused to discuss why the publication was being circulated here and left the office of this newspaper hurriedly when the firm's photographer attempted to take his picture. The salesman was a Negro.

The Black Muslims are believed to hold as a major cause black supremacy.

Muslim Belief number 8 listed in their paper cites, "We recognize and respect American citizens as independent peoples and we respect their laws which govern this nation."

In Belief 9, however, the publication reports, "We do not believe America will ever be able to furnish enough jobs for her own millions of unemployed, in addition to jobs for the 20 million black people as well."

The publication is said to have circulated in other nearby comcunities in the past.

Gardeners' Group To Meet Wednesday

Sweetwater Garden Club will hold its second meeting November 13 at 8 p.m. in the home of Cleoves Hardin, 9195 Harness, Spring Valley.

A plant display table, refreshments, and a door prize are on the agenda for the meeting.

GUNMAN TAKES $400 FROM 'DADDY-O'

Ronald L. Laird of 1630 Larwood rd., L.G., reached for a fifth of whiskey at Duffy's Liquor store where he was working last Sunday night. When he turned around the Negro customer was holding a gun on him.

"Okay, Daddy-O, this is it." Laird was told. "Don't give me any trouble or I'll blow your head off." The thief ordered Laird to put $400.88 into two paper bags, forced him into the backroom and left the premises.

Changer Short Changed

A coin changer in the La Presa laundromat at 8915 Jamacha rd., Spring Valley, was emptied of some $60 in small change last Sunday.

Livestock Loose

Because of numerous complaints about loose horses, donkeys, and pigs from the residence of Martin, Martina and William Bailey residence at 9155 Birch, S.V., Sheriff's deputies were requested to investigate.

Deputies Lindberg and Bradley said they visited Martin Bailey's residence last Friday. Bailey was having trouble with a neighbor's horse who ran into his corral and damaged a bale of straw, Bailey said.

The deputies then went to the neighbor's residence on Harness st. advising them to get their horse. When the deputies returned to the Bailey residence they found Martin Bailey's horses loose on the streets. "One man can't catch five horses," Bailey allegedly said as he pursued the horses. He went to get help.

House Warming

Miss Geraldine Puckett, 8380 Dexter, L.G. complained to the Sheriff's office last Saturday that someone had entered her parents' home, cooked some bacon and stole $30 from her dresser drawer. The theft occured October 17.

Lawnmower Stolen

Robert Benswi, 6850 Cedral pl., L.G., reported the theft of a red, power lawnmower from his residence last week. He had previously reported the theft of his daughter's bicycle on October 19.

Punched in the Nose

Herbert Byron Kelsey, 762 Laguna, El Cajon, turned left off Campo rd. onto Sweetwater Springs rd. last week on Wednesday in front of another car.

The oncoming car then passed Kelsey on the right side and motioned him to stop.

"What's the matter," Kelsey said as he got out of his car? The other man allegedly got out of his car, ran back to Kelsey and said, "This is what's the matter, I have the right of way." With that he punched Kelsey in the nose. Kelsey's left arm was in a sling.

Stop Signs Recovered

Sheriff's deputies found the second missing stop sign in a water meter box at the home of Lillian J. Henderson of 9152 Orville st., S.V. The stop sign had been placed there sometime during last Thursday night.

Another stop sign was found inside the fense of the County Road Station on Waite dr., L.G. earlier this month.

Public Hazard Reported

Billey Joe Allen, pastor of Fair Oaks Chapel and a resident of S.V., reported to Sheriff's deputies recently a 50-oot deep dry well located a mile and a quarter east of Sweetwater bridge off Highway 94. The well, approximately five feet in diemeter, is covered by a thin piece of tin, several loose boards and a piece of angle iron.

Mail Boxes Twisted

Unknown suspects last week on Wednesday pulled and twisted mail boxes from their mounting posts along the west side of Bancroft st. in Spring Valley. Numerous footprints were found along the road side.

Phone Unit Stolen

H. N. Behrns, an employe of Pacific Telephone and Telegraph, reported last Thursday that his complete telephone unit worth $90 had been stolen from 1803 Mass. ave., L.G.

Student Leaders to Attend Future Teachers Conference

The Fifth Annual Future Teachers Conference will convene this Saturday afternoon at the San Diego County Department of Education.

Advisors, student leaders and members of Future Teachers clubs in San Diego County and Imperial County schools will share experiences and work for solutions to the ever recurring problems of membership, equality and quantity, programs and financing.

Theme of this year's program sponsored by Phi Delta Kappa of San Diego State College, is "Teaching: Your Career."

Since its beginning in 1959, the conference has continued to grow in scope and service. Developing from recommendation of the San Diego County Selective Recruitment Commission, the first conference was organized in cooperation with the San Diego Teachers Association. Originally a local leadership conference, the workshop has gradually expanded to include all member clubs from throughout the county.

This year's meeting will bring nearer to realization the goal of active teacher participation in the recruitment of the future members of the profession. Mr. Mark W. Waterbury of San Diego Unified and Mr. G. C. Myers, Phi Delta Kappa Chairman of Commissions and Projects, will serve as hosts.

Police Scholarships Given

The El Cajon Police Officers Association has presented a $200 continuing scholarship to Grossmont College.

Robert Ulman, president of the association, said the scholarship will be awarded at the rate of $50 a semester to a worthy student majoring in police science.

LAST LOOK!

When we pull our old building away this week (above) a brand new, 4 bay unit in gleaming porcelain and chrome will be revealed. The 60,000 gallon facility just being completed, has been hidden by the old station. When it is exposed to view, I'm certain you'll say it is one of the most beautiful stations in the county.

Those of you who would shed a tear for the passing of a Lemon Grove landmark, are invited to stop by and take a long last look at the building almost as old as Lemon Grove itself.

Yet, old buildings such as this (may it R.I.P.) do not die, they are gently hauled away.

Witnesses To Meet for Minister Improvement

The semi-annual assembly of Jehovah's Witnesse in the San Diego County area will be held November 15-17 at the Bing Crosby Hall, Del Mar Fairgrounds.

Purpose of this assembly will be to enable Jehovah's Witnesses to improve their ministerial activities in this area.

The public is invited to attend all sessions. Of particular interest will be the presentation of "The Bible Triumphs in a Scientific World" by John P. Sutherland, district supervisor, on Sunday at 3 p.m.

Christian Science Society Theme Set

The Golden Text at the Lemon Grove Christian Science Society this Sunday will be the verse from Isaiah (45:17): "Israel shall be saved in the Lord with an everlasting salvation: ye shall not be ashamed nor confounded world without end."

The Bible lesson is entitled "Everlasting Punishment," and includes also these lines from the Christian Science textbook: "We acknowledge God's forgiveness of in in the destruction of sin and the spiritual understanding that casts out evil as unreal."

L.G. Youths Receive High Test Ratings

Two Lemon Grove youths are among five St. Augustine high school seniors who have received letters of commendation for their high performances in the National Merit Scholarship Qualifying Test given last spring, Rev. Patrick Keane, O.S.A., St. Augustine principal, has announced.

From Lemon Grove are John Preckel, 8160 Jefferson and John Stiteler, 1721 Glencoe dr.

The commendations were received from the National Merit Scholarship Corp. which administers the national scholarship program.

Although these students did not score high enough to be named semifinalists to be considered for National Merit Scholarships, their scores were high enough to merit special recommendation to the colleges they may seek to enter, Father Keane pointed out.

Air Squadron To Do or Die

Monte Vista High Civil Air Patrol, Squadron 127, will train for desert survival this weekend when they leave here Saturday morning for Borrego Springs State Park.

During "Operation Do or Die," the cadets will undergo extensive training in the techniques of desert survival. A senior squadron leader will become "purposely" lost during the first night of the bivouac session and it will be up to squadron cadets to find him the following morning and administer necessary first aid for his recovery.

Cadets passing the training course will be graduated and will participate in a Pass and Review. If the desert survival training program is successful, the patrol may have a mountain survival training course in December.

The sewing machine was presented to Mrs. Theresa V. Turvey of 9027 Davenrich st., Spring Valley by Mrs. Gertrude McGuire of the North Park Sewing Machine Center, donator of the prize.

Matador Band To Lead Annual Band Jamboree

(Continued)

Marching Band comes next on the show, with a "Salute to National Emblems." Under direction of Carl Thompson, the band will play the "National Emblem March" and salute the armed forces, concluding with a salute to the war dead. Director of the Banderettes is Mrs. Patricia Roeder.

Helix high school's Marching Band will be joined at the beginning of the show by 12 bagpipes and will present under direction of Charles Yates and Mrs. Paula Harcos of the Highsteppers, a show titled "Productive California." It will feature a trip from San Francisco through the Napa Valley and Newport Beach to the Grossmont Union High School District.

Grossmont high school's Blue and Gold Marching Band will salute Operation Amigo in the final presentation of the evening.

In addition to the band, under James Nichols, and the Caperettes under Rosemary Redditt, the Red Robe Choir under direction of Donald Hubler, will present a show in both English and Spanish to honor the Costa Rican and Peruvian visitors on their campus for two weeks.

The show, "An Amigo Looks at California," will show some sports of interest in California, sing the national anthems of Costa Rica and Peru in Spanish, and close with a map of the United States of America.

Women's Musicale To Offer Selections by SD Composer

This season's musicale of the Lemon Grove Unit, Women's Committee, Grossmont Community Concert Association, will be held November 10 at 3 p.m. according to Mrs. Grace Pumphrey, chairman.

The concert will be held in the home of Mrs. Clifford E. Mosier, 8998 Alpine dr., La Mesa.

Mrs. L. E. Elson, music chairman, will present a program featuring compositions of one of the performing artists, Robert Jones, pianist and his wife Anne, cellist, offering "Aria" and "Sonata" which were composed by Mr. Jones for cello and piano. They also will play "Trauermusik" by Hindemith.

Mrs. Ruth Glendenning, soprano, will offer Villa-Lobo's "Bachianas Brasileiras No. 5", Mozart's "Exsultate Jobilate" and Robert Jones' composition "Dirge in the Woods". Mrs. Glendenning is a church soloist and studies voice under Mrs. John C. Meyer.

Robert and Anne Jones earned their degrees in music from Redlands University. Both play the San Diego Recorder Society which entertains on the green during the Shakespearian Festival. Mr. Jones is a church organist.

Mrs. Mosier, social chairman, and her committee have planned a social hour following the concert.

Lemon Grove Toastmasters Club 2012 recently held an installation dinner at Michael's Restaurant.

Club officers for the next six months are President Jim Weetman; Educational Vice President, Bill Belmer; Administrative Vice President, Mike Brega; Secretary, Jack Skeels; Treasurer, Bob Moore; and Sgt. at Arms, Bill Finch.

A speech contest sponsored by the Toastmasters Club was held at Monte Vista high school October 22. First place winner was Helene Duvow. Second place winner was Elaine Wallace. Paticipation certificates were presented to John Baer, Lynn Basshun, Bob Devine and Shirlene Dukrop.

Any male over the age of 18 is welcomed to become a member of the Toastmasters Club. For information call 469-8923.

Chi Omega Fete Is CANHC Benefit

Chi Omega Alumnae will host some 300 couples November 16 at a "Fete Du Vin" benefit for the California Association of Neurologically Handicapped Children.

The benefit program in the Lania Room of the Kona Kai Club features cocktails and hord'oeuvres and a fur fashion show by Graf's Furriers.

Neurologically handicapped children cannot perceive accurately because of minimal brain damage. But with appropriate education-therapy, NH children can compensate for their deficiencies and continue their educations in regular classrooms.

Members of Chi Omega Alumnae from Lemon Grove are Mrs. S. R. Battenfield, Mrs. Paul Arnold and Mrs. Robert French.

Spring Valley members include Mrs. Richard Clark, Mrs. John Shugert and Mrs. Lynn McDougal.

Idea for Painting Talk Slated for Art Association

Paul Seaman will talk about the process of developing an idea into a painting at the November 7 meeting of the Foothills Art Association.

Seaman, art director of the Image-Art Division of Fry and Smith Ltd., San Diego commercial artists and lithographers, will illustrate his talk with some of his own work.

The meeting begins at 7:30 p.m. at the Fine Arts Center, 8053 University ave. All meetings of the association are open to visitors, who are welcome to stay for coffee and enjoy the current exhibit.

Next Thursday's meeting will be the last chance to see oils and watercolors by Helen Goodall of Spring Valley, and oils by guest artist, William Bowne, assistant professor of art at San Diego State College.

L.G. HOMEOWNERS GET 1 HIT, 1 MISS AT PLANNING DEPT.

SAN DIEGO (CNS) Luther Savage got permission to build his garage at 6790 Hibiscus st., L.G. one foot and ten inches from the street due to a narrow lot.

Gerald McKenzie was refused permission to build a 6-foot redwood fence around his swimming pool at his home at 8102 Mazer st., L.G. The Planning Commission, which ruled on both requests, said there were no unusual problems to warrant a fence higher than the 42-inch standard height.

of the proponents of BHAM. He joined the movement because he has long been a complainer of the unfair deal thin-haired men get when they traipse to their favorite barber to lay $1.75 on the line for a "hair cut." A man like Buz Arnett, a smooth-headed Bank of America manager, pays as much as Byron Netzley, the school superintendent who boasts a heavy head of hair. Zung who is also thin-haired, says the flat-rate haircutting charge is discriminatory. To make it fit within JFK's discrimination precepts, he simply substituted "minority hair" for "minority race" and the comparison, he says, is appropriate.

There are many candidates for the "minority" hair movement. Tom Clayton, another successful L. G. financier (Are all successful financiers in the minority hair group?) and Frank Armstrong, the attorney, Oral Carpenter, the school building contractor and Wayne Hoy, another lawyer, should be among charter BHAM members. Dr. Frank Gigliotti, a minister, Druggist Harry Burris, and Municipal Court Judge Luther Hussey might be considered candidates, but like me, each has just enough fuzz to get disqualified if dictionary definitions are used to set the qualifications.

Meetings could be held around enlarged photographs of "enemy people" like Netzley, Dr. Harry Sorterberg and Waterworks President Harry Griffen, all of whom have heavy locks. They would be classed as "enemy" because they are getting at least 50 times as much tonsorial care for the same money paid by BHAM members. It is simple to see that BHAM boys are properly distressed for raving to pay for the extra time the "enemy" gets as he relaxes in the barber's chair.

If you have thin hair and want to join BHAM, see Zung.

Yet, not everyone is in agreement with BHAM.

That great humanitarian and superb mother, Miss Elizabeth Taylor once said when someone observed that Richard Burton had thin hair, "So, who wants fat hair?"

LOCAL TAXES STINTING GROWTH

(Continued)

about 92 per cent of local taxes on "all improvements on real property, together with all personal property."

Nagy said the proposed plan would tax land equally. In San Diego where property owners are paying $527,223,140 annually for land; $986,049,250 for land improvements; and $314,982,960 for personal property, taxes on land would rise 327 percent, but a tax-cut would result because all other taxes on land improvements would be eliminated, according to Nagy.

Slum Owners Making Money

"I have nothing against slum owners or land speculators," Nagy said, "but they are doing nothing to improve the business or residential community and are enjoying a decline in taxes every year, because the assessed valuation of their property is declining."

He said slum owners and land speculators are the only business people making money, while businessmen interested in expanding and helping their communities are making less money because they have to pay higher taxes on their better tenement building or the expanded inventory of their store.

Assemblyman Richard Donovan of Chula Vista will speak at this Friday's meeting of the Lemon Grove Men's Club. The luncheon-meeting begins at noon in Michael's cafe and is open to all men of the community.

SV Cubs Receive Awards, Parade

New board members of Spring Valley Cub Scout Pack 355 were introduced at last Wednesday's meeting in Santa Sophia school. They are Cubmaster Bob Hartt; V. Flau, institutional representative; and R. A. Chadwell, treasurer.

The business meeting was followed by a Halloween costume parade, at which prizes were given to Richard McGuire, Carl Davis, Mark Chadwell and Gerald Lambert.

Silver Arrows were awarded to Gregory Narvaez, Dennis Hines, Freddie Montez, Vernon Hirsh, Mark Chadwell, Ricky Gores and Robert Hartt.

Bobcat pins were presented to Gary Hartt, Richard McGuire, Thomas McGuire; Gold Arrows to Mark Chadwell and Ricky Gores; and Denner bars to Gregory Narvaez and Ronald Griffith.

Figure Control, Bridge Classes Start in SV, LG

Classes in charm, figure control, bridge and knitting will open in Spring Valley and Lemon Grove next Tuesday under the auspices of the Southeast Center, YWCA.

Mrs. Marjorie Lee, center director, said a class in charm will be held at the Goodland Acres Park community center, 8848 Troy st., Spring Valley, every Tuesday from 12:30 to 2:30 p.m. Collette Michelle Hussler, a former professional model in Paris and columnist for the Chula Vista Star News, will teach the charm class.

A class in figure control is being taught in the Goodland Acres community center by Mrs. Jack Mathis every Tuesday from 10 to 11 a.m.

Bridge is being taught in the Lemon Grove community center, 3146 School ln. every Wednesday, 9:30-11:30 a.m. by Mr. Edgar Watman.

Also on Wednesdays at the L.G. community center is a class in knitting by Mrs. Katherine Cavalier from 12 to 2 p.m.

All classes are still open to local residents. To register call the Southeast Center of YWCA at 262-0410.

Mrs. Lee said a four-week series of classes on nutrition will begin in mid-November at the Goodland Acres community center. Interested persons should register for this class in advance, she said, by calling the Southeast Center.

L.G. Music Parents To Start Fund Drive

The second meeting this term of the Lemon Grove Music Parents is scheduled for Monday at 7:30 p.m. in the Lemon Grove Junior high auditorium.

Featured musical entertainment following a brief business meeting is an ensemble from Helix high school.

Harry Weisgerber, instrumental music instructor, announced this week that candy sales, an annual fund-raising activity, will begin Friday. Money will be used to assist in the purchase of new robes for the school chorus.

According to Weisgerber, the school's marching band participated in the Fourth Annual American Heritage Parade.

Nutrition Plan at Helix Hi Gains National Recognition

By Susie Smith
And Sharon Bartram

When a dental cherkup six years ago revealed that Helix seniors had twice the number of cavities they had as entering freshmen, Mrs. Gena Larson, Helix cafeteria manager, resolved to do something.

What she has done has been the subject of magazine articles, inquiry by the California Youth Authority, and approval by the administration, Helix high coaching staff, school nurse, and students.

Herald of Health, Let's Live, and Modern Nutrition magazines have called attention to the Helix experiment.

Menu Listed

The cafeteria menu includes tuna ala king, peas with cheese and sour cream, carrot sticks, bread and butter, milk and fruit salad will be served Friday. Students also have a choice of a frozen orange-juice bar, jello, or fresh fruit.

Used liberally as supplements are wheat germ, bone meal, soy flour, and rice polish. Other good values are provided in raw carrot and celery juice, apple, boysenberry, and orange juice available to all students. Additional snacks provided are raisins, sunflower seeds, pumpkin seeds, and wheat germ flakes.

Sugar-Free Year

"We're starting our fifth sugar-free year at Helix," Mrs. Larson said. The emphasis is placed on proteins and vitamins. Attention is focused on fresh fruits and vegetables and whole-grain breads.

The Helix cafeteria features three kinds of lunches—hot, salad and sack. Athletes and other students also may select a fourth kind of lunch. It is essentially the same as the regular hot lunch, but features larger servings.

"We hope," Mrs. Larson said, "to help students develop the ability to make intelligent choices of nutritionally superior foods, not only now, but after high school. So many students today are junk-eaters. It's no wonder cavities and broken bones are commonplace today."

Youth Authority Interested

The California Youth Authority has expressed interest in the Helix thesis that with improved nutritional habits come fewer cavities, improved emotional health and higher citizenship and academic grades.

"We know, of course, that many factors are included in one's health, but the CYA thinks we may have one of the answers to the problem of school drop-outs. Too, they feel that a relationship exists between nutritional habits and juvenile delinquency," Mrs. Larson said.

"The cafeteria's emphasis on nutrition gives us a boost on the field, too," added Dick Gorrie, Helix Physical Education Dept. head.

"We've got muscles on our muscles," an assistant laughed. But Helix opponents are not laughing as the Helix football team has won the Grossmont League championship for the past three years and the junior varsity team has been undefeated in 36 consecutive games.

Occasionally students complain about the absence of white bread, the substitution of carob powder for chocolate, and raw honey and ground dates for sugar. "We can't really taste the difference," smiled Joe Kinsella, ASB president, as he sampled a nutritionally-loaded pudding, "but it gives us something to beef about."

Though her work of supervising the preparation of 1,300 meals and 500 "part meals" daily is a demanding assignment, Mrs. Larson finds time to answer inquiries. Recently she addressed some 150 nutritionists and cafeteria managers at the Los Angeles Trades and Technical School.

Nutrition Therapy

Of special interest to nutritionists is the nutritional therapy program Helix organized last year. Students who display extreme fatigue or irritability in class are referred to school counselors.

If it appears that these conditions may be due to poor nutritional habits, students are referred to Mrs. Larson.

High School Registration Plans Probed

Planning for about 4,000 eighth graders who will enter the seven high schools of the Grossmont Union High School District in September, 1964, continued this week as District staffers prepared for the Heartland Articulation Committee meeting November 20.

Made up of superintendent or assistant superintendent from 10 elementary school districts whose students enter Grossmont District high schools this committee works out details for pre-registration activities and registration.

At their September meeting directors of guidance of the member districts discussed weaknesses and strengths of last year's program, new ideas new problems, and came up with recommendations for this year. These problems will be considered at the November meeting.

The 4,000 junior high school students will be tested, for one thing, and the program is coordinated. Testing helps the junior high schools with the added information about their eighth graders.

The districts also have formed the Heartland Processing Committee to facilitate tests scoring and to provide other services data processing can give in connection with information about students. The Grossmont Districts's data processing department is able to process such items at a low cost to the group.

SALES-SERVICE AWARD — Don H. Johns (third from right), manager of the B.F. Goodrich store at 7285 Broadway, L.G., holds trophy awarded to his store for scoring record sales in wheel alignment, brake work, shock absorbers and other automotive services for three consecutive months. Sharing the award for their part in giving outstanding service to San Diego area motorists are store service manager Kenneth R. Harper (right) and Everett W. Gardinier (second from right), brake and wheel mechanic. The Lemon Grove store is one of seven among 55 B.F. Goodrich stores in the western states to receive this honor for continuing sales-service accomplishment. Among company executives who came to San Diego from Los Angeles to present the award are (left to right) H. C. La Marche, supervisor of B.FF. Goodrich automotive services in the Pacific region; A. R. Laret, zone manager of retail sales; and M. E. Collins, Pacific regional manager of retail sales.

Casa de Oro Halloween Carnival Events Cited

Casa de Oro elementary PTA's Halloween carnival gets underway at 5:30 p.m. today on the school grounds.

Dinner will be served in the school cafetorium with home-made pies, cakes and cookies for dessert.

A cake walk, cotton candy machine, a bazaar, a green thumb booth and a fortune teller are just a few of the events that will entertain children and their parents, according to Mr. and Mrs. R. Hanstein, chairman.

Boy Scouts will help load cars and Girls Scouts will help in the cafetorium.

Syndicated Columnist To Speak at Grossmont

Roscoe Drummond, nationally known journalist and syndicated columnist, will discuss "The State of a Nation" in the second event of the Grossmont College cultural series.

Drummond will speak November 12 at 8 in the Grossmont high school auditorium. Admission to the general public will be $1.

A panel of Grossmont College history and journalism students will quiz Drummond after his speech. He will be introduced by Ray Reynolds, college journalism instructor.

Drummond, considered one of the country's leading interpreters of the news, writes the four-times-weekly column "Washington" which appears in more than 100 newspapers.

Often call "Mr. Washington Correspondent," he began his career as a staff reporter on "The Christian Science Monitor." There he held successively the positions of assistant city editor, assistant to the executive editor, chief editorial writer, European editorial manager, general news editor and executive editor.

From 1949 to 1951, Drummond served as European director of information for the Economic Cooperation Administration, returning to the U.S. to head the Monitor's Washington bureau. In 1953 he joined the New York Herald Tribune as chief of the Washington bureau and introduced his column, which became so popular he relinquished his administrative duties.

A graduate of Syracuse University, Drummond holds the George Arents Award for excellence in journalism.

Creative Use of Leisure Talk Set

Mrs. C. Rankin Barnes will present a discussion on "Creative Use of Leisure" at Seminole YWCA Center, 4848 Seminole dr., November 1, 9:30 - 11:30 a.m.

Mrs. Barnes, a member of the YWCA Board of Directors, will include in her discussion the many opportunities the City of San Diego offers for family leisure planning.

The meeting is part of the "Designs for Living" series being held at Seminole Center. Newcomers may join the group anytime. Child care is offered.

The San Diego YWCA is a member agency of the United Community Services.

USEFUL ITEMS ON SALE AT CARNIVAL

Members of the Vista La Mesa elementary school PTA are meeting this morning under the chairmanship of Mrs. P. Salata to price items that will be sold at tonight's Halloween carnival.

Useful items to be sold by the PTA include stocking clowns, terry cloth shifts with matching slippers, catapillar throw pillows, bar-b-que aprons, doll clothes, and pin cushions.

Each classroom will have a booth at the carnival and enchilada dinners will begin being served at 5:30 p.m.

The Vista La Mesa PTA board will meet November 4 at 7:30 p.m. in the school cafetorium.

Miss Dorothy Pavlovec, membership chairman, will report on the membership drive which concluded recently with 381 members.

Grossmont College News

Research Project Proposed

Five major research projects related to junior college teachers will be recommended to the Ford Foundation for support, according to Grossmont College Dean of Instruction, Charles C. Collins, who is serving on an advisory committee of California junior college experts.

Dr. Collins recently returned from a committee meeting in Danville, Contra Costa County, at which the development of selection and preparation processes for new junior college instructors was explored.

The Ford Foundation chose the California group to make the national study because of the state's pioneering efforts in the junior college.

The projects proposed by the group are to attempt to get a unified commitment from both junior college teachers and the public as to the exact role of the junior college in American education; studies of the proper preparation of "academic" and technical-vocational instructors; examination of the Stanford University three master's program, coupled with the University of California teachers internship plan, and an analysis of junior college evening divisions as they compare with the day programs.

Construction Curriculum Eved

A six-member advisory committee on construction inspection is making preliminary suggestions for a curriculum which may be offered by Grossmont College.

Grossmont College Director of Technical and Vocational Education, C. Allen Paul said the proposed curriculum would be aimed at providing formal education for field workers in construction inspection who must meet state requirements for certification.

The advisory committee consists of Donald K. Jephcott, supervising structural engineer of the State of California Office of Architecture and Construction in Los Angeles; John Pizzato, city engineer of El Cajon; Robert E. Des Lauriers, of Des Lauriers — Sigurdson, an architectural firm in La Mesa; Conrad C. Cooper, school construction inspector of the Grossmont Union High School District; Bruce E. Crandall, director of the Tectonic Inspection Co. of Chula Vista; and Daniel Perkins, writer for Paderewski Dean and Associates, architects.

Collins Named Chairman

Grossmont College Dean of Instruction Charles C. Collins was named program chairman of the newly formed San Diego County Coordinating Council in Vocational Education.

Four Matadors Vie For Summer Abroad

Four Mount Miguel high school juniors have been selected on the local level for further participation in the Americans Abroad program.

Finalists will enter their applications in New York for final processing where the selection of one of the four candidates will be made. Selected persons will then have the opportunity of spending a summer or his senior year in a foreign country, depending on the availability of homes overseas.

Selection at Mount Miguel was made from a group of thirteen semi-finalists which included Vicki Board, Sharon Davis, Mike Webb, Karen Sjogren, Susy Foster, Ray Woods, Kathy Campbell, Stephanie Powers, Sheryl Beaty, Kathy Dittamore, Cheryl Dento, Dennis Anderson and Sue Bjorstrom.

Sponsored on campus by the International Club, students participate in a mutual exchange which annually sees two students from other lands attending Miguel. Currently on the Matador campus are students Nee? Ngo Ng of Singapore, Malaya and Melvin Lewis of London, England.

LEGAL NOTICE

Re the Proposed Annexation) to the SPRING VALLEY) Sanitation District . . . .)

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE SPRING VALLEY SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Austin, seconded by Supervisor Dent, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County:

WHEREAS, A. A. Duncan, et al., the owners of the hereinafter described property in the unincorporated territory of the County of San Diego, have requested this Board (Document No. 337503) to annex said property to the Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 337491); and

WHEREAS, said property is not contiguous to said District; and

WHEREAS, investigation of the proposed annexation by the Department of Special District Services discloses that said property is within the same watershed as said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 337502); NOW THEREFORE,

BE IT RESOLVED AND ORDERED:

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the SPRING VALLEY Sanitation District under the provisions of the County Sanitation District Act all of that above mentioned property in the unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, which property is bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, lying within the following described boundary:

1. Beginning at the most Easterly corner of Lot 5, Lincoln Acres, Map No. 1740, filed in the Office of the County Recorder of San Diego County;

COUNTY OF SAN DIEGO NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the Board of Supervisors, Room 306, Civic Center, Administration Building, San Diego, California, until 2:00 o'clock p.m., on November 12, 1963, at or about which time they will be publicly opened and read in the same building in the Board of Supervisors Chambers, for construction in accordance with the specifications therefor, to which special reference is made, of portions of County Highway, as follows:

Resurfacing a Portion of Jamacha Road (County Road F 1) From S.D. 200 A (State Highway 94) East to Willow Glen Road (County Road F 11) in the Vicinity of Spring Valley. A Total Distance of 0.92 Miles.

ENGINEER'S ESTIMATE

Item	Quantity	Description
1.	1,500 Tons	Asphalt Concrete

Under the provisions of the California Labor Code, the Board of Supervisors has determined the prevailing rate of per diem wages for the locality to be as follows (Rates are for an 8-hour day unless otherwise specifed):

Carpenter, Journeyman - $34.00; Cement Mason and Cement Mason Roller Screed Operator - $33.88; Reinforcing Ironworker - $36.80; Journeyman Electrician or Lineman - $40.00; Laborers, General or Construction - $26.84; Concrete Mixer Operator - Skip Type - $32.16; Motor Patrol Operator (any type or size) - $37.28; Tractor Operator - Dragline or shovel, Bulldozer, Tamper, Scraper, and Push Tractor - $36.48; Rubber-tired, Heavy Duty High-Speed equipment Operator - Oshkosh, DW, Euclid, LeTourneau, La Plante Choate, or similar type equipment, with any type attachments, and push tractor on this type equipment - $36.48; Universal Equipment Operator (Shovel, Back-hoe, Drag-line, Derrick, Derrick Barge, Clamshell, Crane, Pile Driver and Mucking Machine) - $37.28; Drivers of Dump Trucks of less than 4 yards water level - $29.40; Drivers of Dump Trucks, 4 yards but less than 8 yards water level - $29.64; any classification omitted herein not less than $25.24.

OVERTIME AND HOLIDAY WORK: Time and one-half for all overtime, except Sundays and Holidays, which are double time. The holidays upon which double time rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, espressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

All bids are to be compared on the basis of the Engineer's estimate of the quantities of work to be done.

No bid will be accepted from a contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

The attention of bidders is particularly directed to the provisions of Section 7-1.01F of the specifications regarding the use of domestic materials; and also to the provisions of Section 8-1.01 and 8-1.02 of the specifications, regarding subcontracting and assignment of the contract, respectively.

Plans, forms of proposals, bonds, contract, special provisions and specifications may be examined at the office of the County Surveyor, 5555 Overland Avenue, Building 2, San Diego 23, California. Copies of plans and specifications may be obtained at said office upon payment of $8.00. If payment is made by check, it should be made payable to "County of San Diego." **NO REFUND WILL BE MADE.**

No bid will be received unless it is made on a form furnished by the County Surveyor and accompanied by the security referred to therein. Forms of bid proposal and bonds may be obtained at the County Surveyor's office.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bonds or in the bidding.

Dated: October 8, 1963.

VAN DEERLIN OPPOSES RAISE FOR CONGRESS

WASHINGTON—Rep. Lionel Van Deerlin, San Diego Democrat, disclosed last week that he will oppose planned legislation raising the pay of Congressmen.

Van Deerlin, serving his first term, cited a provision of California's state constitution which prohibits elected officials from receiving a salary increase during the same term of office in which it was voted.

"There is no legal restriction similar to this at the national level," the Congressman added. "But adhering to the California system seems to me a matter of simple ethics."

In opposing the legislation, Van Deerlin emphasized that he speaks only for himself — and at the risk of irritating many senior members of Congress.

"This is a decision each man must submit to his own conscience," he said. "I knew what the job paid when, in consultation with my family two years ago, I decided to run for Congress. The expense of maintaining residence in two places is heavy. But, feeling strongly the need for strictest Government economy, I do not feel justified at this time in voting for a Congressional pay raise.

"Nor would I ever vote for such a raise to take effect during the same term in which the bill was acted upon."

L.G. Soldier in German Air Lift

FORT HOOD, TEX. (AHTNC) Army Pvt. Leland O. Swain, 19, son of Mrs. Mary Myers, 2076 Washington st., Lemon Grove, is participating in Operation BIG LIFT, the largest transoceanic Army-Air Force deployment ever made by air. The exercise began Oct. 22 and is scheduled to end in late December.

Swain and other members of the 2d Armored Division, a total of more than 16,000 soldiers, were flown from bases near Fort Hood to bases in Germany where they drew heavy equipment from prepositioned stocks.

The men then joined other U.S. troops stationed in Germany for a NATO training exercise. Upon completion of the training, the division will turn in its equipment and return to the U.S.

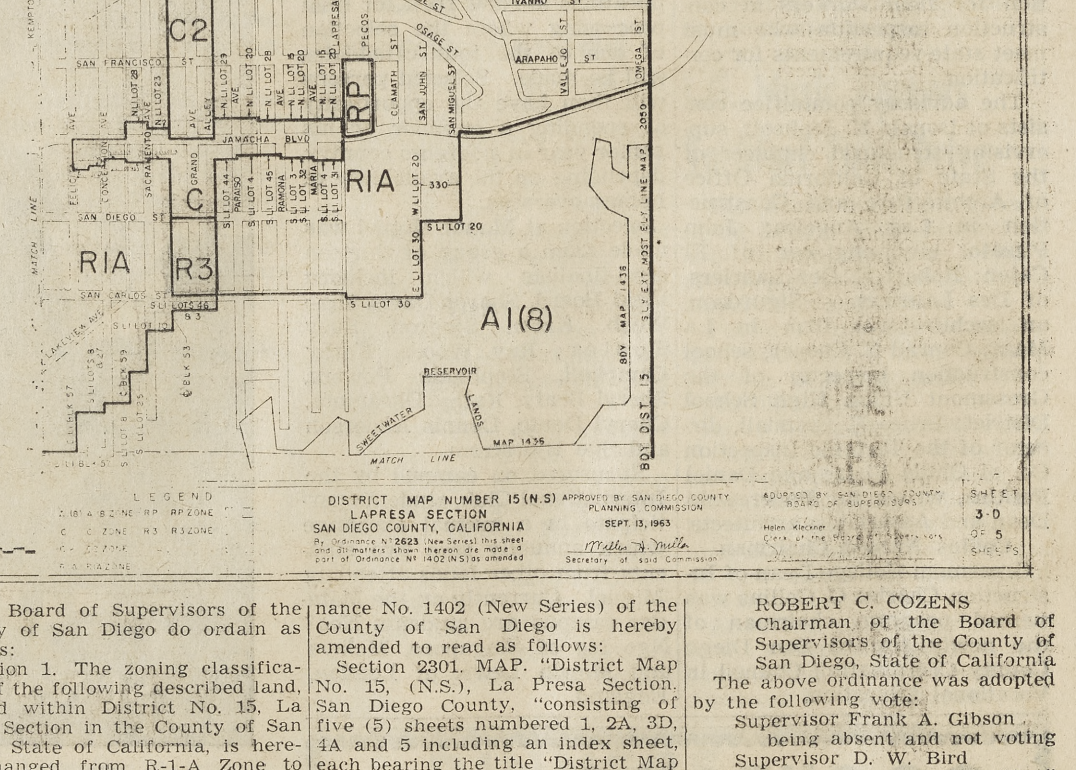
The exercise is a demonstration of U.S. military ability to reinforce NATO forces through airlift of a U.S. based division to Germany and link-up of this division with combat equipment positioned there.

Swain, who is regularly stationed at Fort Hood, is an ammunition bearer in Company C of the division's 1st Battalion, 41st Infantry.

The 1963 Petersberg, Ind. high school graduate entered the Army in May of this year and completed basic training at Fort Knox, Ky.

ORDINANCE NO. 2623 (NEW SERIES)

AN ORDINANCE AMENDING THE ZONING ORDINANCE BY CHANGING THE USE OF CERTAIN PROPERTY WITHIN DISTRICT NO. 15, LA PRESA SECTION, AND SUBSTITUTING SHEET NO. 3D FOR SHEET NO. 3C OF DISTRICT MAP NO. 15 (N.S.)



The Board of Supervisors of the County of San Diego do ordain as follows:

Section 1. The zoning classification of the following described land, located within District No. 15, La Presa Section in the County of San Diego, State of California, is hereby changed from R-1-A Zone to C Zone;

Lots 25, 26, 27, and 28, Block 27, Colony of La Presa, according to Map thereof No. 441, on file in the office of the County Recorder of San Diego County, together with that portion of the west 10 feet of Sacramento Avenue lying east of said Lots 25, 26, 27 and 28, as closed by and to public use by Resolution No. 108 of the Board of Supervisors of said County, said Resolution being recorded in the office of said County Recorder October 17, 1961, Series 2, Book 1961, File No. 179974.

Section 2. Section 2301 of Ordinance No. 1402 (New Series) of the County of San Diego is hereby amended to read as follows:

Section 2301. MAP. "District Map No. 15, (N.S.), La Presa Section, San Diego County, "consisting of five (5) sheets numbered 1, 2A, 3D, 4A and 5 including an index sheet, each bearing the title "District Map No. 15 (N.S.) La Presa Section, San Diego County," is hereby adopted and made a part of this ordinance.

Section 3. This ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the members voting for and against the same, in the Spring Valley Bulletin, a newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED, AND ADOPTED this 22nd day of October, 1963.

ROBERT C. COZENS
Chairman of the Board of Supervisors of the County of San Diego, State of California

The above ordinance was adopted by the following vote:

Supervisor Frank A. Gibson being absent and not voting
Supervisor D. W. Bird voting "Aye"
Supervisor Robert C. Dent voting "Aye"
Supervisor De Graff Austin voting "Aye"
Supervisor Robert C. Cozens voting "Aye"

NOTICE OF INTENTION TO VACATE AND ABANDON A PORTION OF STEEL CANYON ROAD, JAMACHA

PUBLIC NOTICE IS HEREBY GIVEN that the Board of Supervisors adopted a resolution on October 15, 1963, declaring its intention to vacate and abandon the following-described County highway:

Those portions of Road Survey 356 in Tracts C. D and F of RANCHO JAMACHA in the County of San Diego, according to Partition Map thereof filed in the Office of the County Clerk of said County, in Case No. 13, entitled Wm. H. Keighler et al., vs. Mary H. Eddy et al., lying easterly of a 1050-foot radius curve which is concentric with a 1000-foot radius curve concave northwesterly in the center line of Road Survey 631, a plat of which is on file in the Office of the County Surveyor of said County, and lying westerly of the southwesterly line of a strip of land 60 feet wide, the center line of said strip of land being described in Easement to the County of San Diego for Road Survey 356 recorded March 29, 1962 as Document No. 53377 of Official Records of said County.

The Board has fixed Tuesday, November 19, 1963, at 11:00 a.m., and the chamber of said Board, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place for hearing on said resolution of intention to vacate and abandon said highway.

YOU ARE HEREBY NOTIFIED to appear at the time and place fixed for said hearing and show cause, if any you have, why said highway should not be vacated and abandoned.

For further details reference is hereby made to said resolution of intention on file in the office of the Clerk of the Board of Supervisors, Room 306 San Diego City and County Administration Building, Civic Center, San Diego, California.

BY ORDER OF THE BOARD OF SUPERVISORS of the County of San Diego, State of California, adopted October 15, 1963.
HELEN KLECKNER
Clerk of the Board of Supervisors.

Chargers, Jets Clash Saturday

NEW YORK, N. Y. — The high flying San Diego Chargers, with a firm grip on first place in the Western Division of the American Football League, challenge the Eastern Division contending New York Jets on the historic Polo Grounds this Saturday night. Kickoff is scheduled for 8 p.m. (EST).

KFMB radio (540 on the dail), hub station in the Chargers' Radio Network, will air the game with Lyle Bond doing the play-by-play and Lute Mason the color. There will be no television.

San Diego, leading the AFL in rushing offense and total offense, owns a league record of 5-2 following last Sunday's 34-33 loss to the Oakland Raiders. Meanwhile, the surprising Jets are 3-3-1 after tying the Denver Broncos, 35-35, last Saturday.

The Sid Gillman-coached Chargers rely on the quarterbacking of Tobin Rote, one of the league's leading passers, and John Hadl, the promising sophomore, the running of Paul Lowe, second top rusher in the AFL, and Keith Lincoln, third leading rusher and second punt returner in the league, and the receiving of Lance Alworth, best yardage per catch man in the league, the fleet Jerry Robinson and Dave Kocourek, All-AFL tight end for the bulk of their offensive.

Devildogs, Pensacola Leatherneck Bowl Set

SAN DIEGO — With the first half of their 1963 campaign completed, the Marine Corps Recruit Depot Devildogs have only three weeks and that many games before their annual Leatherneck Bowl clash November 17.

They meet California State Polytechnic College at San Luis Obispo, the University of the Pacific at Stockton, and the San Fernando All-Stars at San Diego before taking on — for the third year in a row —the Pensacola Goshawks in the annual charity bowl game. The game will be played in San Diego's Balboa Stadium.

The San Diego Marines have met and defeated six opponents since their opening game with the University of Mexico on September 13.

The Devildogs have stormed into the end zone for a total of 202 points while limiting their foes to only 45 counters. Statistics also show the Marines to be a powerful second half aggressor.

Head Devildog coach Major Allen "Scotty" Harris' defensive squad has held their offensive opposition to only 13 points during the second half of play. The Marine offense, on the other hand, has totaled 97 second period marks.

Coach Harris feels that the 1963 version of the Devildogs is the strongest team he has ever coached.

Tickets for the Leatherneck Bowl are on sale at all Southern California Naval and Marine Corps installations.

Two major sporting goods chains are also serving as ticket agents. They are the Higgins and Crosthwaite Sporting Goods Stores in San Diego and Chula Vista and the Stanley Andrews Sporting Goods Stores in San Diego, Chula Vista, El Cajon, College Grove and Clairemont.

Reserve seats sell for $2.50, and general admission is $1.50. All proceeds of the game are divided between the United Community Services Fund and the Navy Relief.

HOLIDAY HOP SET FOR SATURDAY NITE BY LEAGUE

Valley de Oro Little League will sponsor its second annual Holiday Hop November 2 from 8 p.m. to 1 a.m.

The Francis Leonard Orchestra will provide music for the dance which will be held in the Spring Valley Chamber of Commerce hall on Memory ln.

Dave Rutter, league president, said all little league parents are especially invited. Donations are $1 and proceeds will go for baseball equipment.

Monarch Harriers Win Three Races At Invitational

The Monte Vista cross country team brought home nine trophies October 26, after winning all three races in their division at the annual Mount San Antonio College Invitational Cross Country meet. 125 high schools were represented from all over Southern California, with a total of 2,500 boys competing.

In the varsity race, the top seven runners from Monte Vista plus 63 others from 10 schools, were entered. Monte Vista won the race with the lowest score of 42.

Individual Monte iVsta placers were Bruce Hamilton, who took first and set a record of 10:18, which was later broken the same day by sixteen seconds; Maynard Olsen, seventh; Gary Fegan, tenth; Fred Noble, eleventh and Lon Lefler, thirteenth.

The Monarch JV team competed against 12 schools, and 100 runners. Monte Vista's eight runners came in with the lowest score of the whole meet, 27.

The Freshman team ran against 14 other schools, and 70 runners. The Frosh emerged victorious, with 50 points and first place.

Carnival Features New Attractions

Halloween carnival goers will be feated at Monterey Heights elementary tonight with several new attractions.

Entertainment includes a 15-foot bell to test strength, a candle shoot, turtle races and regulation size bowling. Live music is again on the agenda for the carnival beginning at 5:30 p.m. on the school parking lot. A costume parade will begin at 7:30.

The carnival was organized by the Monterey Heights PTA under the direction of Mrs. Ray Minor and Mrs. Jack Voorhees.

CIF Champs Trample Miguel in 19-6 Game

By Dave Lewis

Best efforts weren't enough as a revitalized Escondido grid team outscored Mount Miguel 19-6 in their October 25 meet in Aztec Bowl.

Fumble prone and unable to capitalize on two different scoring opportunities, the undefeated CIF Champions were held scoreless during first half action. Mount Miguel also was unable to score.

During the third quarter a 12-yard run by quarterback Jerry Montiel put the Cougars out in front, with the extra point being kicked by Ray Huett.

Early in the fourth quarter Miguel tallied six points when Steve Frank passed to Graig Stamper for 25 yards. Luther Clark's attempted point after touchdown fell short.

A nine-yard run by Montiel set the Cougars up for an additional six points. With three seconds to go, the Cougars boosted their lead with a nine-yard pass from Montiel to Jeff Johnson. Both points after touchdown blocked, Escondido won its fifth encounter.

With three games still to be played, Mount Miguel will have an uphill fight to retain its chances for the league title. Facing a strong team from El Capitian high school tomorrow night, the Matadors will then play the El Cajon braves November 8.

The contest of the year will be with arch rival, the Helix Highlanders, who also are strong contenders in the championship.

If the Miguel team overcomes its next two opponents, the Helix match will be the deciding game. The winner will represent the Grossmont district in San Diego CIF playoffs.

An added attraction to Friday night's contest, which will be played on the Miguel field, will be the annual "Dad's Night." In pre-game activities the father of each varsity team member will be introduced.

Funny how he always asks for a bank reference.
To someone who doesn't know you, there is no better reference than your banker. Because credit is his business, a banker is in the best position to vouch for your dependability. That's why a word from him can often smooth the way for any financial transaction—whether you're buying a car, building a home, starting a business or opening a charge account at the corner store. One of the best ways to get a bank reference is to have a savings account. Why not open one today?
